

The Tata Group - An Immersive Experience

Date: 2017-11-09 - 2017-11-10

Venue: Tata Management Training Centre, 1, Mangaldas Road, Pune 411001

Overview

The Tata group is comprised of several operating companies that are broadly clustered into seven business domains/sectors. The group Companies recruit experienced, senior executives on an ongoing basis . As part of their role, these business leaders are expected to engage within their organization as well as collaborate with peers in other Tata group companies. While many individual companies do provide an induction to these leaders, what differentiates this program is that it offers a comprehensive view to the group as a whole, and its key facets. Gaining a greater understanding of the Tata group, its history, the evolution, its diversity and current outlook helps participants to develop a holistic perspective on the group and thus facilitates their engagement with other group organizations.

Objectives

- An overview of the group & its companies
- A perspective on the evolution of the group
- An understanding of the group structure
- An understanding of how the Tata brand is managed
- A deeper understanding of Tata values
- An overview of group level initiatives
