

Master Class for Ethics Counsellors

Date: 2017-01-03 - 2017-01-05

Venue: Tata Management Training Centre, 1, Mangaldas Road, Pune 411001

Overview

By 2025, the Tata group's mission is to touch the lives of 25 percent of the world's population. The Group Centre and all Tata Companies are collaborating in realizing this vision. The bedrock of all efforts to uphold the Brand and safeguard our group's reputation are Tata employees who believe “Times Change but what is right does not”, based on our motto of “Leadership with Trust”.

As custodians of the Tata Code of Conduct (TCoC), Ethics Practitioners play a crucial role in the advocacy and implementation of the values and principles enshrined in the Code. Pursuant to the recent release of TCoC 2015, and e-Modules for self-learning, the group Ethics Office and TMTC have co-developed the first 'MasterClass for Ethics Practitioners' for Tata companies.

Benefits

This MasterClass is aimed at strengthening the knowledge and skill base of the participants regarding various aspects of the TCoC 2015 and Leadership of Business Ethics (LBE) from the viewpoint of building awareness, deepening understanding, and building the capability to interpret and implement practical application of the related knowledge. Enabling and empowering our ethics community members to confidently and capably uphold, evangelize and follow the “Right Way to conduct a Tata business” is critical to our Brand, corporate reputation and business sustainability. The Ethics Community of Practice starting with Leaders across the Tata group are called upon to continually build this differentiating capability across each of our group companies. Considering the large number of members of the Tata Family and its growing size across the globe, it is imperative that each company builds its own pool of practitioners cum trainers who can cascade this principled message to sustain and strengthen the “Tata Way of conducting business” in the world that we operate in.

Learning Outcomes:

The program will help the participants to

- Understand the business case for ethical conduct and various related elements emanating from TCoC 2015
- Build an ability to interpret Code guidance as an enabler to implementation of LBE
- Leverage the spirit of the Code beyond the letter in all transactions with our people (those who work for us and with us)
- Create a resource pool for conducting LBE training & Code orientation across the group
- To impart the knowledge and skills to execute the company's LBE initiatives and be the 'go-to' person for all matters related to Ethics and the TCoC 2015
